

Williamsburg Memorial Park 1K Run

Welcome to Our 4th Annual 1K Run

Join us Saturday, October 5th, as children grades K-5 compete to help us stamp out childhood hunger. All proceeds benefit the Virginia Peninsula Foodbank's Backpack Program.

Child Hunger. It's Closer Than You Think.

Today, more than 18,500 children living in and around our area don't have enough food to lead normal healthy lives. Thankfully, most of these children qualify for subsidized school meals through national programs. But for many, this may be the only food they eat.

The Backpack Program

This wonderful program ensures that at-risk children discreetly receive the nutritious and easy-to-prepare food they need to get through the weekend. Each week, participating Title 1 Elementary Schools send backpacks full of food home with children in need.

You Can Make a Difference

Your participation in this event will help us fight childhood hunger in our community. Plus, you'll teach your children the value of helping others in a fun and memorable way.
